Councillors considered a request from District Councillor Merilyn Davies for funding to help with start up costs for a over 65’s event. It is hoped that it will be a regular event if successful.
RESOLVED: To make a grant of £100 towards start up costs.

54. Review of Risk Assessments for churchyards and cemeteries
Reverend David Tyler attended to present draft Risk Assessments for the churchyards and to thank council for ongoing support and in particular recent tree works. It was confirmed that insurance is with the Parish Council for the facilities.
ACTION: RFO to work with David to ensure that our Risk Assessments are compatible.

55. To receive an update on works to improve the new playground drainage
The clerk presented a quote from a supplier recommended by WODC for £120 per metre for drainage channels. It was proposed to install 2 channels, one from each of the two wettest areas. Further works such as drilling will be considered as it is uncertain how successful the channels will be. It has proved difficult to get quotes for this and Councillors wanted to move this on during the summer and not delay it while further quotes were obtained. For this reason Councillors resolved to suspend financial regulations and considered the risk low as the supplier was recommended by WODC as being suitably qualified for the work.
RESOLVED: To suspend Financial Regulation 11.1h requiring 3 quotes.
RESOLVED: To place an order with ACS Bower Ltd to a maximum of £4000.
ACTION: Clerk to make arrangements.
56. To consider quote for new picnic tables in the playground
The clerk presented a quote from Eynsham Sawmill for 2 picnic tables at £200 each. Installation/ground securing was quoted at £500. Councillors accepted the quote for picnic tables but asked for an additional quote for installation.
RESOLVED: To place an order for two tables and for installation.
ACTION: Clerk to place order for 2 tables and obtain another quote for installation and if lower that the Eynsham quote place an order for installation.

57. To discuss recent noisy parties in the parish
Councillors discussed recent events in the parish and agreed to put a note in the next Hanborough Herald asking for consideration to neighbours.
ACTION: Cllr Tritton to write note for the Herald.

58. To consider proposal for CFO support to appraise community buildings and organisations
Cllr Marcus presented an overview of the support available and likely costs. Councillors asked to see examples of other reports and for assurances that a senior CommunityFirst Oxfordshire (CFO) consultant would be involved.
ACTION: Cllr Marcus to request reference reports completed for similar parishes.

59. To discuss the Coffin Path between the allotments and Church Hanborough which requires repairs
This is reported as damaged and overgrown in places.
ACTION: Cllr Chapman to report to Blenheim.
