## Product List

**Materials supporting schools and colleges  
delivering all major awarding body  
qualifications in travel, tourism and aviation**

# What we Offer

## Teaching Materials

Learn Travel provide resource materials which support delivery of travel, tourism and aviation qualifications across a range of Awarding Bodies. The materials can be used to provide the knowledge requirements of a subject for classroom based delivery or distance learning and:

- cover key subjects at a number of levels
- meet the qualifications standards through City & Guilds, Edexcel, NCFE and SQA
- support the lecturer and the learner by providing specific information on the relevant subject with activities to improve understanding
- contain varied interactive learner exercises throughout with reviews to endorse learning at the end of each section
- exercises can be completed on screen and saved/emailed to tutor, or on paper

## Purchase Options

All modules are available for purchase via two options:

1. With an annual licence - modules are supplied in PDF files via a secure download link or on a CD Rom for use with classroom presentation equipment, secure access via your intranet or unlimited printing.
2. Full colour printed manuals. (available on request)

## e-Learning

We offer unique, realistic and easy to use e-Learning for Global Distribution systems which provide practical, industry-related learning. This is available with centre licences or for individual access. See the back page for more information and contact [sales@learntravel.co.uk](mailto:sales@learntravel.co.uk) for further details or for a free trial/demo.
