Local Gardens to Visit

Even this early in the year there are gardens opening for the Snowdrop Festival of the **National Garden Scheme**, including...

Little Court near Winchester, the garden of Patricia Elkington, who talked to us on "The Garden in Autumn" in October.

Somewhat closer is The Manor Dean, mid-way between Midhurst and Petworth.

For full details of local NGS gardens opening this month, hold down the 'Ctrl' key and **click here**
