Dear Sonia Kundu

### **Historical Railways Estate**

Thank you for your email of 23 November 2020 to Chris Heaton-Harris, about the Historical Railways Estate. I have been asked to reply.

We note the issues you have raised. However, whilst the Department for Transport supports proposals to make the best use of disused railway infrastructure each case needs to be considered on its merits in conjunction with local stakeholders, taking into account any site specific constraints. Although the Department for Transport is therefore not able to comment in detail on your enquiry I would like to thank you for raising these issues.

Yours sincerely

Khasru Ali
